### How do we stay faithful as we wait on God?

*Peace in the Dark* invites you to look again and acknowledge the reality of Holy Saturday. The example of the early disciples in those in-between hours offers a depth of wisdom about what to do when things have gone wrong. Their practices can serve us as we face our own disappointments, trials, or even traumatic experiences. There is a way to not just live but to experience peace when God seems silent. Rooted in Scripture, nature, and her personal experiences of years of trial, Jessica Herberger guides us through what was happening on that day, why it matters, and how we can approach our Holy Saturdays with hope and faithfulness.
